**August 12th**  
**1-3:30 pm**

**Expressive Arts @ 32nd & Thorn**  
**3201 Thorn St., 92104**  
**North Park**

\$65 for parent and one child. Each additional family member \$25, includes a Piggy Bank for each child to decorate.

- Bring ideas and/or pictures about what your child wants to save for
- Bring spare change/bills to start filling up your personalized Piggy Bank
- Wear comfortable clothes that can get messy

## TURN MANAGING MONEY WITH YOUR KIDS INTO A FUN AND POSITIVE HABIT!

If money talks with your child inevitably turn into a power struggle or your attempts to teach them money management leave you frustrated, this workshop is for YOU and your child.

Join Expressive Arts facilitator and school teacher, Michele Lyons M.A., as she guides you through playful ways to teach you how to create a money management plan with your children.

Your child will leave with their own decorated piggy bank and a piece of art that will remind them how they plan to spend the money they have saved.

Parents will leave with a new found confidence and the tools to make saving money with their child a regular habit just like brushing teeth! You will also leave with an agreement on what and how to save money, with your child learning to take on the responsibility for saving money.

**Space limited so RSVP early. For more information and RSVP call 858-357-3207 or email [mlyons@san.rr.com](mailto:mlyons@san.rr.com)**

### **Michele's Real-Life Money Practice**

Using Piggy Banks to save money is a practice that Michele has developed to save money. She is an elementary school teacher in Encinitas and has taught children for over 18 years. Michele brings a wealth of knowledge and experience with children to this workshop setting.
